

MEDIATION STRATEGIES

JOAN B. KESSLER, JD, PHD

- This is a challenging time for all of us.
- Everyone is impacted by the economic disaster that surrounds us.
- Please let me know how I can assist you in economically resolving a case through mediation.
- Also, attached is an article I wrote about brief writing which appeared in the October 2008 Advocate for your review.

Many years ago I received a Ph.D. from the University of Michigan in Communications. Before I went to law school I taught interpersonal relations, group interaction, conflict resolution, intercultural communication courses and served as a jury consultant. I apply the communication issues and solutions I taught, coupled with my 20 years of legal practice experience in my full time mediation practice.
